• Instructions

Before we start,

Packaging box

- Use the packaging box for easier assembly.

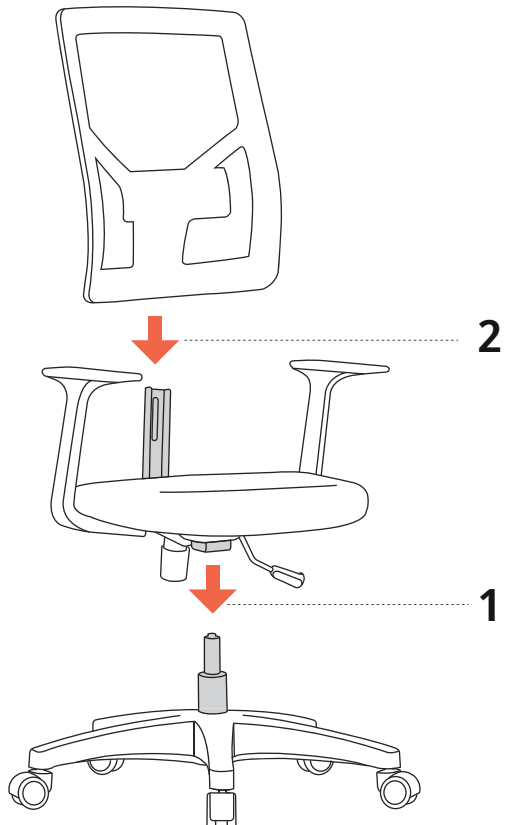

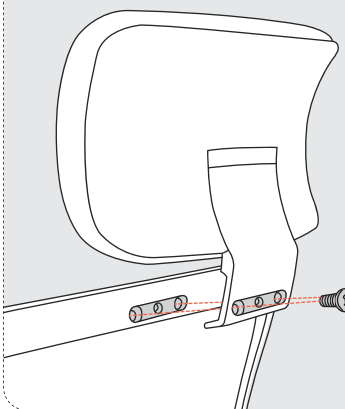

- Since the product is heavy, assemble it with caution to avoid injury.

※ Note before assembly

- Please check if there is any problem before assembling. This product is difficult to disassemble after assembly.
- Please note that this product cannot be returned after assembly.

STEP 1 Body

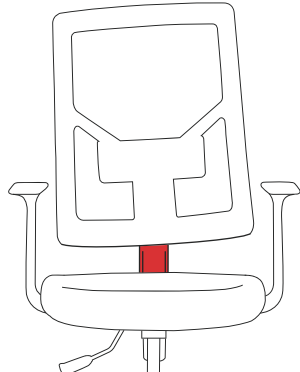

This step is only for a model with headrest

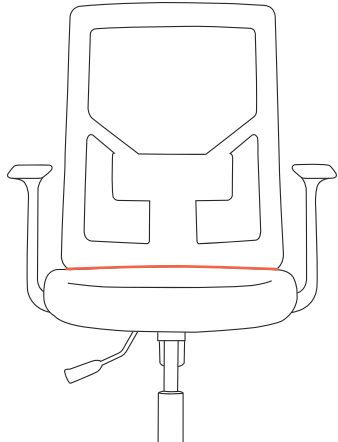

BOLT X 2

HEADREST CAP x1

Caution!!

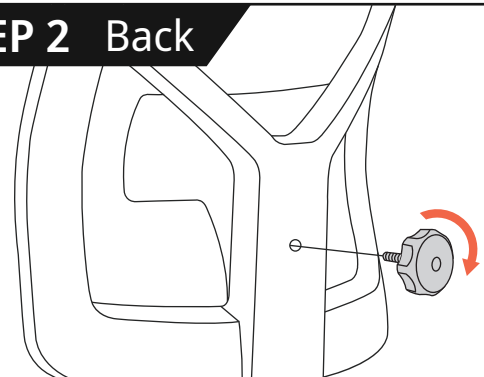

Poorly inserted back might cause a serious back injury.

Insert the back correctly.

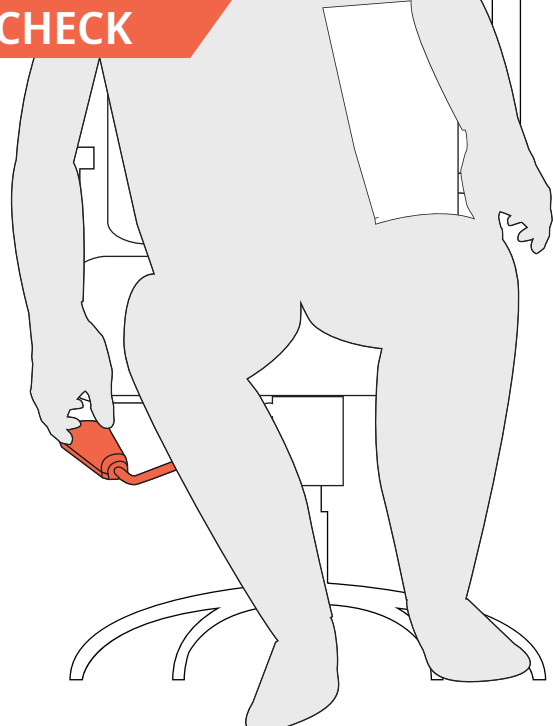

*If the back does not fit well, rock it carefully to make it easier to insert.

STEP 2 Back

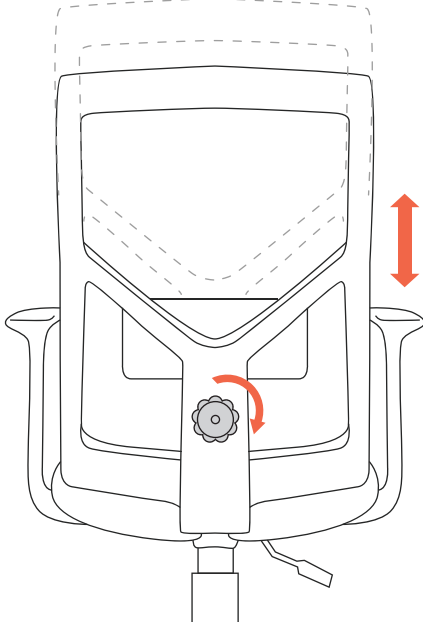

• User Manual

CHECK

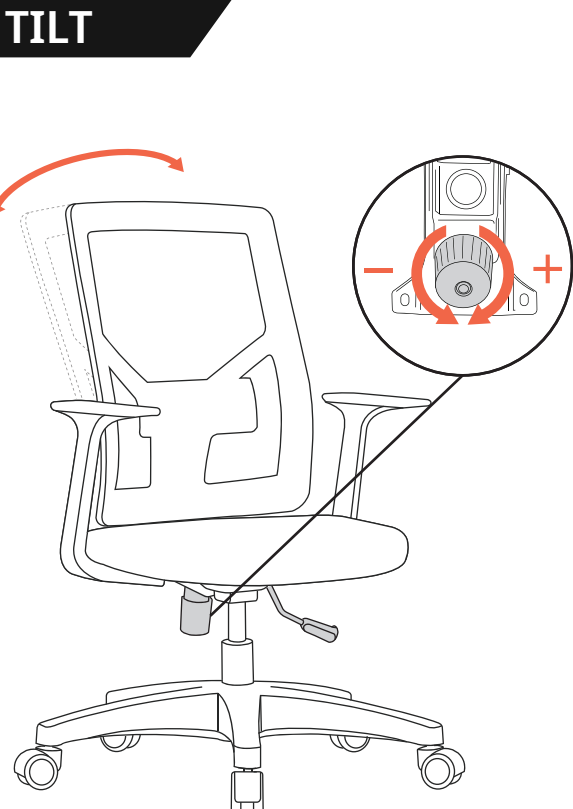

After the assembly,
the seat must be pressed properly for the height adjustment to work. Sit on the center of the chair to make sure the height adjustment lever is working.

BACK HEIGHT

For better back support, you can adjust height by turning the star knob clockwise.
