### USER GUIDE & ASSEMBLY INSTRUCTIONS

# ***Thank you for choosing us!***

N-GEN, Next Generation, is Neo Chair's premium gaming chair brand targeting a higher level gaming chair than any other brands.

When pronounced, N-GEN is similar to the word engine [ˈendʒɪn]. Like the engine to a car, N-GEN gaming chair is the most important part for gamers who sit in the chair for a long time.

N-GEN's model names are inspired by the Latin words for "speed".
