

Tent-Style Favor Box

Assembling the box:

- Open folded box into a rectangle.
- Fold in the two side flaps of the bottom at the scored lines.
- Fold the large bottom flap over. Fold down scored tab and tuck into the bottom of box.
- Line the inside of the box and fill with treats. If using wrapped treats, lining is optional.
- Pinch sides of box together to crease the scored lines on the sides. As you do this, the sides will fold in toward the inside of the box.
- Fold the patterned lid down at scored line.
- Thread the included, pre-cut ribbon into one of the pre-punched slots in the top flap, coming from the back.
- Pull ribbon through and wrap around back.
- Thread ribbon through remaining slot, coming from the back. The result is the two ribbon ends will be on the front side of the decorative flap. It is recommended to use a bobby pin or large needle to make threading ribbon easier.
- Carefully pull ribbon ends tight and tie in a double knot.
