How to contact us

What information do we collect about you?

CO2 Monitoring collect information about you when you register for our newsletter and blog, complete a form, or when you click to view pages on this website. Website usage information is collected using cookies.

We will only collect your details at an exhibition or conference if our products are of legitimate interest to you and may be asked again to opt in when we send you the first communication, giving you the choice to opt out if necessary.

How will we use the information about you?

CO2 Monitoring collect information about you to make your visits to our site more relevant, manage your preferences and, if you agree, to email you about updates and news we think may be of interest to you. We will not share your information for marketing purposes with any other companies.

Marketing

CO2 Monitoring would like to send you updates and news information about our products and services as well as other information which may be of interest to you. If you have consented to receive Analox communications, you may opt out at a later date. We use Mailchimp to send communications to our customers and distributors, and therefore store data on this system. You can check their privacy policy [here](#).

Our Customer Relationship Management (CRM) system called 123 Insights, is used to produce quotes and process sales orders, which constitutes a legitimate reason for holding personal data inline with common accounting practices, you can view their privacy policy [here](#).

You have a right at any time to stop us from contacting you for marketing purposes. If you no longer wish to be contacted for updates and news please notify us by emailing info@co2monitoring.com or calling +44(0)1642 711400 for UK and Rest of World and for US (714) 891 4478.

Access to your information and correction

You have the right to request a copy of the information that we hold about you. If you would like a copy of some or all of your information, please email or write to us at the following address info@co2monitoring.com, 15 Ellerbeck Court, Stokesley Business Park, Stokesley, TS9 5PT.

You also have the right to have your information corrected or removed. Any request for correction or removal should be sent to the aforementioned address.

Cookies

Cookies are text files placed on your computer to collect standard internet log information and visitor behaviour information. This information is used to track visitor use of the website and to compile statistical reports on website activity.

By using our website, you (the visitor) agree to allow third parties to process your IP address, in order to determine your location for the purpose of currency conversion. You also agree to have that currency stored in a session cookie in your browser (a temporary cookie which gets automatically removed when you close your browser). We do this in order for the selected currency to remain selected and consistent when browsing our website so that the prices can convert to your (the visitor) local currency.

For further information visit www.aboutcookies.org or www.allaboutcookies.org.

You can set your browser not to accept cookies and the above websites tell you how to remove cookies from your browser. However, in a few cases, some of our website features may not function as a result.

Other websites

Our website contains links to other websites. This privacy policy only applies to this website so when you link to other websites you should read their own privacy policies.

Changes to our privacy policy

We keep our privacy policy under regular review and we will place any updates on this web page. This privacy policy was last updated on 9th July 2018.
