THE DIRTY COOKIE STORY

A UNIQUE DESSERT
EXPERIENCE FOR EVERY
OCCASION!

It's not about baking. I'm the furthest person from your typical Betty Crocker. In fact, in my past life, I was an aerospace project manager. The Dirty Cookie was born from the desire to turn something small into something meaningful. It was born from my personal aspiration to change lives.

I started Dirty Cookie with the intention of making a difference and providing more jobs in the world. In 2021, we launched a program called A Shot For Education where a percentage of our profits are donated directly to our nonprofit partners who are committed to providing young people with access to education.
