Our process:

## YOU'RE JUST STEPS AWAY FROM UNFORGETTABLE GIFTS

Design: Our team works with you to create gift boxes that suit your style, occasion and budget. Select a gift design from our pre-curated collection, or work with us to create a custom box design. Both pre-curated and custom gift boxes can be branded. Options include branded box closures, notecards and branded items inside the gift boxes.

Project Finalization: Once we have your gift design finalized, we send over a proposal with all of the project details, including pricing, estimated fulfillment timeline and shipping options. We begin ordering product and branding materials once payment is received.

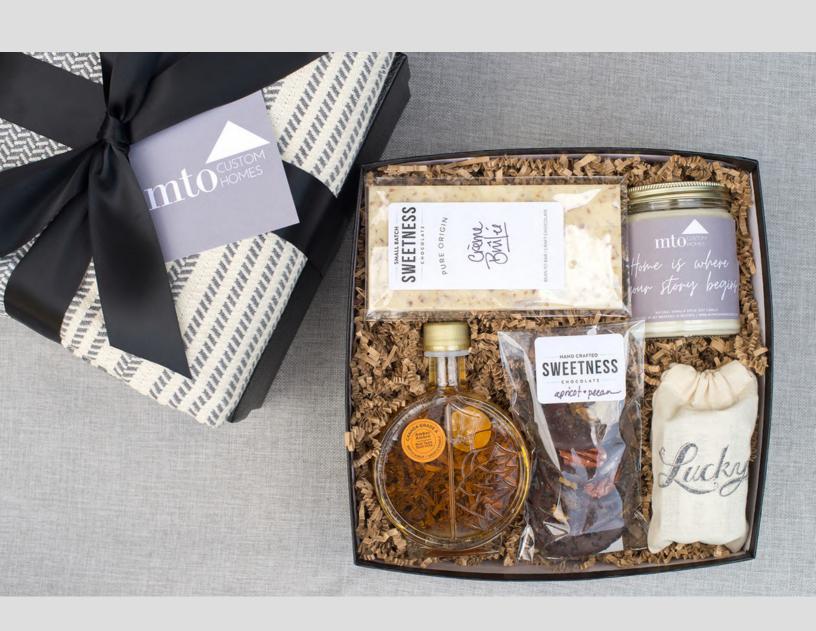

Fulfillment: Sourcing product, assembling boxes, shipping gifts- we take care of every aspect of gifting. Gifts can be shipped all together you, or directly to each recipient.
