

## APERION'S INTIMUS SERIES

# Compact Home Theater System 422 Satellite Speaker & S-8 Subwoofer

The 422 speaker series is designed for the customer who seeks a full home theater surround sound experience without the bulk of a large intrusive speaker system. Taking its lead from Aperion's award-winning bookshelf speakers, the 422 speaker series includes the same high quality construction and attention to detail all wrapped up in beautiful small package. Combine these powerful 422 satellites with our new S-8, 100-watt, 8" powered subwoofer and prepare to be entertained.

## APERION'S INTIMUS SERIES 422 Satellite Speaker

### SPECIFICATIONS

<b>Frequency response:</b>	100hz to 20Khz
<b>Nominal speaker impedance:</b>	8 ohms
<b>Recommended power:</b>	25-150 watts
<b>Speaker enclosure type:</b>	2-Way Sealed, Video Shielded
<b>Tweeter (diameter):</b>	1"
<b>Woofers (diameter):</b>	4"
<b>LR Dimensions (HxWxD):</b>	7-1/2" X 5" X 6"
<b>C Dimensions (HxWxD):</b>	5" X 12" X 6"
<b>Weight LR:</b>	6 pounds each
<b>Weight C:</b>	7 pounds
<b>Warranty:</b>	10 Years on driver & enclosure

## APERION'S INTIMUS SERIES S-8 Powered Subwoofer

### SPECIFICATIONS

<b>Frequency response:</b>	30hz to 180hz
<b>Amplifier power output:</b>	100 watts (RMS)
<b>Speaker enclosure type:</b>	Rear Ported
<b>Variable crossover range:</b>	40-120hz
<b>Phase adjustment:</b>	0 or 180 Degrees
<b>Volume control:</b>	Variable
<b>Inputs &amp; outputs:</b>	Low level
<b>Woofers diameter:</b>	8"
<b>Dimensions (HxWxD):</b>	14-1/2" x 10-1/2" x 15"
<b>Weight:</b>	37 pounds
<b>Warranty:</b>	10 yrs on driver & enclosure. 3 yrs on subwoofer amplifier.

### 422 FEATURES

**1" Audiophile-Grade Silk-Dome Tweeter:** Our audiophile-grade 1-inch silk-dome tweeter features ferrofluid cooling for high power handling and smooth response and a high quality heat sink, which means less distortion.

**4" Custom Poly Midrange:** Our 4" mineral-filled, polypropylene midrange takes music and movies to exacting new heights. It responds to transient demands, maintains killer dispersion and is robust enough to handle the demands of lower midrange frequencies.

**Anti-Resonant Cabinet:** Each 422 speaker is made of rock solid 3/4" thick high density fiberboard (HDF) to eliminate unwanted resonances within the cabinet. Each speaker is finished in either real cherry wood or high gloss black lacquered finish.

**Magnetically Shielded:** All drivers in the 422 are magnetically shielded for placement on or near your video monitor.

**HD-X3 Crossover Technology:** Patent pending HD-X3 crossover technology levels the impedance load across the entire frequency range resulting in the elimination of detrimental effects of resistance introduced by long runs of speaker wire.

**5-Way Gold-Plated Binding Posts:** Each 422 speaker comes standard with audiophile quality gold-plated five-way binding posts, giving you great flexibility in connecting your speaker wires.

**Wall & Ceiling Mounting:** All 422 speakers come with dual 1/4" threaded inserts on the back for ceiling or wall mounting. Industry standard spacing on these inserts means they'll work with a variety of brands.

### S-8 FEATURES

**Custom Poly 8" Subwoofer:** Our ultra-fast custom 8" polypropylene woofer was designed with superior high-excursion performance in mind. It features an anti-resonant stamped-steel frame, and heavy-duty butyl rubber surround. Be prepared for an unbelievably smooth and natural sound with super-tight bass, all from an unassuming and beautiful little sub.

**100 Watt High Power Amplifier:** Aperion's S-8 will lavish your room with expansive depth and power. How? With 100 watts of continuous class A/B power to be exact. The amplifier comes standard with line level inputs/outputs, low pass crossover adjustment, phase switch, and a detachable power cord.

**Anti-Resonant Cabinet:** Each S-8 subwoofer is made of rock solid 1" thick High Density Fiberboard (HDF) to eliminate unwanted resonances within the cabinet. Each sub is finished in either real cherry wood or high gloss black lacquered finish.

**30-Day No Risk Audition + Free Shipping=Absolutely Nothing To Lose:** We are so joyfully confident in the sound, looks and price of our compact home theater, if you are not wholeheartedly satisfied, just return the speakers within 30 days. We'll refund your money in full, pay the return shipping fee and all with a no-sweat smile.
