

**ADAPTOGEN / THRIVE**

## **Maca**

*Lepidium meyenii Walp*

**ALSO KNOWN AS:**

***Peruvian Ginseng***

Maca grows in the high Andes. Considered one of the world's natural "super foods," it was first recognized in the pre-Incan times and continues to provide the ultimate support for adrenal health and fertility. It is also a booster for the immune system and for increased energy, stamina, mood, memory and focus.\*
