apoline

OTTOMAN

$498.00

apoline is a gorgeous canadian cedar stump hand finished and left totally raw to show all of its natural beauty. the nature of the canadian cedar has a white-wash finish. we love it used as a side table or stool. the process for the apoline is no small task. each tree trunk must first be dried out for 6 months before it can be hand finished into a stump. due to the nature of the materials, there is a natural variation between each piece.
