SCRUB, NET, DOCK AND TAKE A SELFIE—WITH ONE TOOL

Even on the largest boats, owners can run out of storage space. Lazarettes that were empty at the beginning of the season are often overflowing by summer. The key is to consolidate. Shurhold's One Handle Does It All system is a perfect solution to the age-old problem of onboard storage, and one that saves time and money to boot.

The heart of Shurhold's One Handle Does It All system is the handle. All eight models are manufactured in the USA from high-strength, corrosion-resistant aluminum and feature ergonomic grips for ease of use.

Fixed lengths of 13", 30", 40" and 60" are offered. Telescoping handles provide more reach. The 6' model locks at four intervals between 40" and 72"; the 9' model locks at five positions between 60" and 108". A 30" extension is available to fit any model.

Over 40 different Shurhold accessories quickly and easily snap on and off to tackle a wide range of jobs. With one lightweight handle, owners work efficiently, switching from one tool to the next with the press of a button. Gone are the days of walking back and forth across the deck to retrieve a different tool.

For cleaning everything from the hardtop to cabin sole, Shurhold attachments include brushes, mops, brooms, swivel scrubbers and

squeegees. There's even a Curved Adapter that's perfect for getting at the waterline.

For fishermen, Shurhold offers landing, crab and dip nets. And when it's time to land the big one, gaffs and taggers quickly snap on.

Boat hooks and paddles are available, and even a camera adapter for underwater shots or the perfect selfie. When space is at a premium and budgets limited, Shurhold's One Handle Does It All system is the best choice. A video is at bit.ly/1P0yi2B.

Shurhold's Fixed Length handles start at \$6.98 and Telescoping models at \$31.98. The 30" Extension is \$12.98.

Dedicated to educating boat owners, Shurhold provides key tips for boat value preservation at www.shurhold.com. Inventor of the One Handle Does It All system, Shurhold manufactures specialty care items and accessories to clean, polish and detail.
