SIMPLE TOOLS LEAVE RVS SHINING

Simple-to-use tools are the easiest way to achieve showroom shine. With Shurhold Industries' Brite Wash and Wash Mitt, RV owners can brush away surface dirt and give a good washing without breaking out every piece of cleaning equipment they own.

Brite Wash is scientifically formulated to clean fiberglass, clear coat, metal, rubber and painted surfaces. It removes dirt, grease, salt and other debris without dulling a finish or stripping away wax or polish. Designed to resist water spots, this concentrated formula is environmentally smart.

The Wash Mitt is made from soft, synthetic, absorbent fibers. The shaped thumb and elastic band base make for a comfortable, snug fit. It can be used wet or dry.

Shurhold's Brite Wash costs \$11.98 for a 32 oz. bottle, while the Wash Mitt is \$5.98.

Shurhold is dedicated to educating owners on RV value preservation. Inventor of the One Handle Does It All system, Shurhold manufactures specialty care items and accessories to clean, polish and detail.
