

Print two A4 copies so you have double the cards. Stick each printed sheet to a piece of coloured cardboard, then cut out the cards and jumble them up. Lay them in rows, face down. (Absolutely no peeking!) Now, turn over any two cards. If they match, keep them, and have another turn. If they don't match, turn them back over, and it's your play mate's go.

(Don't: Try to distract them with a funny dance! Do: Try to remember what was on each card and where it was!)

The game is over when all the cards have been matched. Have fun! Take pics! Tag us @grotoskincare!
