NOVITA TLC

TANK & LINE CLEANER

The Safer Alternative

ACTIVE INGREDIENTS:

Proprietary blend of acid and buffering agents..... 100%
All ingredients are exempt from the requirements of a tolerance in 40 CFR 180 or are permitted in 21 CFR 184

KEEP OUT OF REACH OF CHILDREN DANGER!

Causes severe skin burns and serious eye damage.

Wear protective gloves / protective clothing / eye protection / face protection. Do not breathe fumes, mist, vapors, or spray. Wash hand, face and other affected areas thoroughly after handling. Do not eat, drink, or smoke when using this product. Use only outdoors or in a well ventilated area. Read label before use. Store Locked up. See FIRST AID for additional information. Read and understand the entire SAFETY DATA SHEET (SDS), DIRECTIONS FOR USE, and NOTICE OF WARRANTY before using this product.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

If Swallowed: Immediately call a POISON CENTER or doctor / physician if you feel unwell. Rinse mouth. Do NOT induce vomiting.

If on Skin (or hair): Immediately call a POISON CENTER or doctor / physician if you feel unwell. Take off contaminated clothing and wash it before reuse. Rinse skin (or hair) cautiously with water for several minutes. If skin irritation occurs: get medical advice or attention.

If Inhaled: Immediately call a POISON CENTER or doctor / seek medical attention if you feel unwell. Remove person to fresh air and keep comfortable for breathing

If in Eyes: Immediately call a POISON CENTER or doctor / seek medical attention if you feel unwell. Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. If eye irritation: Get medical advice / attention.

DIRECTIONS FOR USE

LARGE VOLUME TANK CLEANING: Close boom valve and add 100 gallons of water in the tank, turn on agitation and add one quart of NOVITA TLC. One gallon of NOVITA TLC will treat up to 400 gallons of water. Adjust the dilution rate as needed for individual condition. Circulate liquid through valves, hoses and pump.

Once the pump and interior have been cleaned, open boom valve and empty tank by spraying out through boom and nozzles. Take care to observe proper disposal of spray solution. Then rinse the tank thoroughly for at least 3 minutes with cold water only, repeat rinse if changing up to a different chemical to lessen the chance of contamination.

When cleaning a tank used for herbicides, that can cause phytotoxicity at low levels, clean especially those parts of the equipment that may absorb the chemicals such as hoses, connections, and pump. Use as directed, but allow the rinse solution to remain in the sprayer and its parts overnight.

NET CONTENTS:

- 2.5 U.S. Gallons (9.46 liters)
- 30 Gallon (113.55 liters)
- 270 Gallons (1022.06 liters)

Gainesville, TX 76240

SMALL VOLUME TANK CLEANING: Fill tank half full with water and use one ounce or more for each 3 gallons of the tank volume. Agitate thoroughly, drain and follow with clean water rinse. Always discard rinse water according to pesticide label directions.

IRRIGATION LINE CLEANING: For initial treatment when irrigation lines are clogged use NOVITA TLC at a rate of 1 gallon per 1,000 gallons irrigation water. For best results hold product in irrigation lines for up to 12 hours and then flush to remove foreign material.

For bi-weekly treatment to inhibit build-up, use NOVITA TLC at a rate of 1 gallon per 3,000 gallons of irrigation water. Hold product in the line for 12 hours and flush the irrigation system to remove foreign material.

For continuous treatment to inhibit build-up, inject NOVITA TLC at a rate of 1 gallon per 20,000-40,000 gallons of irrigation water. Dose at this rate continuously to provide effective and long-lasting water treatment.

DRIP IRRIGATION LINE CLEANING: For initial treatment when irrigation lines are clogged use NOVITA TLC at a rate of 200 ppm of irrigation water. For best results hold product in irrigation lines for up to 12 hours and then flush to remove foreign material.

For continuous treatment to inhibit build-up, inject NOVITA TLC at a rate of 20 - 40 ppm of irrigation water. Dose at this rate continuously to provide effective and long-lasting water treatment.

NOVITA TLC will not harm steel, aluminum, brass or poly tanks and parts, if directions concerning rinsing are followed.

STORAGE AND DISPOSAL INFORMATION

STORAGE: DO not allow product to freeze. Recommend storage temperature is 55° F or higher. Store locked up.

DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Do not reuse container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Dispose of contents/container in accordance with local/national regulations.

WARRANTY

Novita Solutions, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. Novita Solutions, LLC MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. Inherent Risks of Use: It is impossible to eliminate all risks associated with use of this product. Plant injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label, such as unfavorable temperature, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, tornadoes, hurricanes), presence of other materials, the manner of application, or other factors, all of which are beyond the control of Novita Solutions, LLC or the seller. All such risks shall be assumed by buyer. Limitation of Remedies: The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability, or other legal theories), shall be limited to, at Novita Solutions, LLC's election, one of the following: 1. Refund of purchase price paid by buyer or user for product bought, or 2. Replacement of amount of product used Novita Solutions, LLC shall not be liable for losses or damages resulting from handling or use of this product unless Novita Solutions, LLC is promptly notified of such loss or damage in writing. In no case shall Novita Solutions, LLC be liable for consequential or incidental damages or losses. The terms of the "Warranty Disclaimer" above and this "Limitation of Remedies" cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Novita Solutions, LLC or the seller is authorized to vary or exceed the terms of the "Warranty Disclaimer" or this "Limitation of Remedies" in any manner.
