

MODIFIED VEGETABLE OIL CONCENTRATE/NONIONIC SURFACTANT

KEEP OUT OF REACH OF CHILDREN WARNING /ADVERTENCIA!

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

Causes skin irritation and serious eye irritation. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fume, gas, mist, vapors or spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID

Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present, after the first 5 minutes, then continue cautiously rinsing eye. If eye irritation persists: Get medical advice or attention.

IF ON SKIN OR CLOTHINE: Take off contaminated clothing and wash it before reuse. Wash skin with plenty of soan and water for several minutes. Call a poison center, doctor, chemical manufacturer, importer, or distributor to specify the appropriate source of emergency medical advice. If skin irritation persists: Get medical advice or attention.

IF SWALLOWED: Call a POISON CENTER, doctor or physician if you feel unwell. Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

DIRECTIONS FOR USE

MSO XTRA is used on agricultural crops, in forestry applications, in industrial and R.O.W settings, in pasture and rangeland areas, municipal, and in T80 or in any non-aquatic application. The addition of an adjuvant to some pesticides or rath mix combinations may cause phytotoxicity to foliage or fruit of susceptible crops. Refer to the label of the tank mixture partner(s) for any additional use instructions or restrictions. Always follow the most restrictive label. MSO XTRA may be applied by high or low volume ground, aerial or any type of equipment recommended by pesticide labels. Not for aquatic use.

Care should be exercised when spray containing MSO XTRA, is applied to new crop varieties or highly inbred crop lines not previously sprayed with this product. It is recommended that a small test area be treated before spraying large areas. Use care when pesticides are more active, such as during periods of hot or humid conditions.

ENVIRONMENTAL HAZARDS

Do not contaminate water sources by cleaning of equipment or disposal of washwater.

USE INFORMATION

MSO XTRA is a superior blend of special emulsifiers, surfactants and methylated seed oil, designed to enhance pesticide performance when compared to standard Methylated Seed Oils (MSO) or Cop Oil Concentrates (COC). Use a minimum of 4 to 8 fluid ounces per azer or at 50% of the recommended rate of either standard Methylated Seed Oil or Crop Oil Concentrate.

MSO XTRA will optimize the performance of many glyphosate tank-mixes. Always read herbicide labels for specific directions on using MSO's.

For Basal Bark Applications: MSO XTRA can be mixed with oil soluble or miscible herbicides and, when allowed by the herbicide isbel, be used as the sole diluent or carrier. Thinline, streamline, high and low volume basal bark applications can be made with MSO XTRA and labeled herbicide mixtures. Suggested mixing rates when used as the sole carrier vary from 1% herbicide in 95% of MSO XTRA do 75% herbicide in 95% of MSO XTRA do 75% herbicide in 95% of MSO XTRA dopending on herbicide and method of application. For specific dilution rates, consult the herbicide label for the product being used. Typical applications direct these mixtures onto the lower eighteen inches of individual brush and tree stems.

MIXING

Use Rate of Oil Adjuvant Recommended on Label	Use Rate of MSO XTRA
0.5 pt./ acre	0.25 pt. / acre
1 pt./ acre	0.5 pt./ acre
1.5 pts. / acre	0.75 pt./ acre
1 qt./ acre	1 pt./ acre
0.25%v/v	1 pt./ 100 gals.
0.5% v/v	1 qt./ 100 gals.
1% v/v	2 qts. / 100 gals.

To mix MSO XTRA, fill the spray tank half full with water, add the proper amount of pesticide, fertilizer or micronutrient as directed by its label and then add MSO XTRA. Maintain agitation during the entire process. Continue agitation bergore and during each application to ensure a uniform spray. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix the components in the same ratio as the proposed tank-mix.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PRODUCT STORAGE: Do not store below 32F. Keep container closed in storage. Do not allow water to be introduced. Store only in original container.

PRODUCT DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. Decontaminated containers may also be disposed of in a sanitar valantil.

WARRANTY

Novita Solutions, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. Novita Solutions, LLC MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANT-ABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

Inherent Risks of Use; it is impossible to eliminate all risks associated with use of this product. Plant injury lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label, such as unfavorable temperature, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, tomacdes, hurricanes), presence of other materials, the manner of application, or other factors, all of which are beyond the control of Novita Solutions, LLC or the selfer. All such risks shall be assumed by buyer.

Limitation of Remedies: The exclusive remedy for losses or damages resulting from this product (including claims based on contract, neolioence, strict liability, or other legal theories), shall be limited to, at Novita Solutions, LLC's election, one of the following:

 Refund of purchase price paid by buyer or user for product bought, or 2. Replacement of amount of product used. Novita Solutions, LLC shall not be liable for losses or damages resulting from handling or use of this product unless Novita Solutions, LLC is promptly notified of such loss or damage in writing. In no case shall Novita Solutions, LLC be liable for consequential or incidental damages or losses.

The terms of the "Warranty Disclaimer" above and this "Limitation of Remedies" cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Novins Solutions, LLC or the seller is authorized to vary or exceed the terms of the "Warranty Disclaimer" or this "Limitation of Remedies" in any manner.vary or exceed the terms of the "Warranty Disclaimer" or this "Limitation of Remedies" in any manner.
