Living better together

Nordic living enhances the beauty of the open spaces where your family members go about their daily lives. A space where you can forget about the little inconveniences of the day. The furniture you choose should reflect this desire to live together in a comfortable, relaxing shared space. Form and function blend seamlessly as the backrest extends and curves into armrests. No frills just good taste, pure and simple.

- Ultra-sturdy steel frame
- Well-cushioned seat and backrest
