

Bluffton

42565 | Swivel stool without backrest

Trend : Industrial

Raw Beauty

The factory look combines salvaged raw materials, tubular steel, visible hardware and authentic cachet. How could you resist this stool and its unabashed industrial aesthetic? And of course we love the exposed fasteners on the footrest and imitation pipework on the backrest model.

- Ultra-sturdy steel frame
- Distressed solid wood seat (birch)

Sizes and heights available:

Counter
Bar

				
Counter	w 17"	D 17"	H 25 1/4"	s 25 1/4"
