

**LIFE SUPPORT**  
INTERNATIONAL

# UNI-PAC Series

Life Support International's UNI-PAC III is designed to be deployed from the weapons bay of the P-8 Poseidon. The water activated life raft, survival equipment, and multi-parachute deployment system is packaged in a single semi-rigid canister. The four survival bags contain equipment designed to support 30 people for 72 hours. The UNI-PAC III is U.S. DOD designated as SRU-44/P.
