

**LIFE SUPPORT**  
INTERNATIONAL

# MK-46 Series

The MK-46 SV is an integrated life preserver and modular survival vest. The vest is manufactured using nylon mesh and features Modular Lightweight Load-carrying Equipment (MOLLE) for the attachment of standard and optional non-standard pockets. Integrated with the vest is a webbing aircrew restraint harness with hoisting/lifting becket, and lower-extremity straps attached with Cobra quick-release buckles. One size fits most.
