

NxGEN EXTENDED WARRANTY PROGRAM

FS-Curtis is dedicated to providing industry leading warranty programs. These warranties provide additional peace-of-mind to products which already enjoy best-in-class quality. All FS-Curtis Nx products are backed by a Standard Manufacturers

Warranty of 12 months. The NxGEN warranty program detailed below can provide added protection. To participate in the NxGEN Warranty Program the requirements listed below must be performed and documented throughout the full warranty period.

REQUIREMENTS

To be eligible for Extended Warranty, all of the following requirements must be met:

- All Rotary Screw air compressors are required to have the "start up" procedure completed by and authorized FS-Curtis distributor and returned to FS-Curtis within 30 days of the compressor package start-up. Please email the completed check list to warranty@fscurtis.com . Form# WRSC-002.
- The NxGEN Extended Warranty Program requires the Nx product to be registered at: <http://us.fscurtis.com/rotary-screw-start-upwarranty-registration-form/>
- A minimum of one Maintenance Kit and FSC-8000 lubricant must be purchased on an annual basis, which is defined as 12 months. Individual genuine OEM parts and FSC-8000 lubricant as specified in the operations manual can be purchased. Nx products must be maintained in accordance with the maintenance schedules provided in the operations manual for the appropriate service interval using only FS-Curtis genuine parts and lubricants for the entire warranty period. Proof of purchase (i.e. product invoice) will be required in the event a warranty claim is filed and these purchases must correlate with the recommended maintenance guidelines in the operations manual for the corresponding operating hours of equipment.
- Participation in the FS-Curtis oil analysis sampling program is required. An oil sample must be sent to our testing facility at minimum two times a year which is defined as 12 months or once every 6 months. Any recommendations detailed in the analysis report must be followed as outlined in the report. Oil sample kits are available upon request.

ALL OF THE ABOVE REQUIREMENTS MUST BE PERFORMED AND DOCUMENTED TO ENSURE THE NxGEN WARRANTY PROGRAM IS IN EFFECT FOR THE FULL WARRANTY PERIOD.

FS-Curtis reserves the right to change the extended warranty program and/or requirements as deemed appropriate by the company. FS-Curtis reserves the right to refuse participation in the extended warranty program to any distributor and/or end customer of the compressor.
