

Note: This product must be installed by a Licensed Plumber. This is a general installation guide – factors may alter the installation method.

## Ciara Accessories – Double Mount

### Installation

1. Mark the four places where you will drill the four holes to fix the accessory to the wall.

2. Drill the four holes (2 on each side) for No.8 plastic anchors.

3. Mount the holder to the wall using the screws and the plastic anchors provided. Take care to mount vertically even.

4. Position the accessory on the holders and hold it against the wall while you tighten the screws with an Allen key.

Always use a soft, damp cloth with mild detergent to wipe your accessory clean. Avoid using abrasive detergents, cleaning powders, scouring pads, strong disinfectants, cleaners containing hydrochloric acid or phosphoric acid as this will cause damage to the finish.
