CATALOG

Welcome

We hope you enjoy reviewing our new catalog. Please note that this is only a representation of the manufacturers and products we offer. You will notice that the prices are “lined out” and only there to give you an idea of the costs. Please contact us for the best pricing and overall project management that we offer! We pride ourselves on excellent customer service and broad selections to keep your project on track and within budget.

Please call us at (215) 259-5300, Ext. 102, or email us at info@nextgenfurn.com to set up a consultation. We will be happy to develop a solution to meet your needs. We look forward to working with you to create effective learning environments that engage students and staff.

Create a desk with Berries® Store-It Drawer Kit!

Berries® Store-It Drawer Kit

Kit includes a set of powder-coated steel rails that can be attached to the bottom of a table to create a small storage area—perfect for holding papers, pencils, folders, and more! Plus, an integrated stop prevents trays from accidentally being pulled out or pushed in too far. Drawer with Clear Paper-Tray is 4"H. 11½"W x 13½"D.

With Clear Paper-Tray		Without Paper-Tray

JON6399JC2	2-Pack \$215.80		
JON6399JC4	4-Pack \$419.20		
JON6399JC6	6-Pack \$641.20		

Berries® Dry Erase Tables

This markerboard table features a Write-n-Wipe surface that encourages kids of all ages to get involved. With a high-pressure laminate surface, you can be sure that the dry erase surface will stand up to some heavy-duty learning. It's stain resistant and features our famous TRUEdge® in a rich black color. Comes with black legs containing glides that reduce noise, prevent snags, and resist rust.

APEX® & PREMIER™ Series Tables

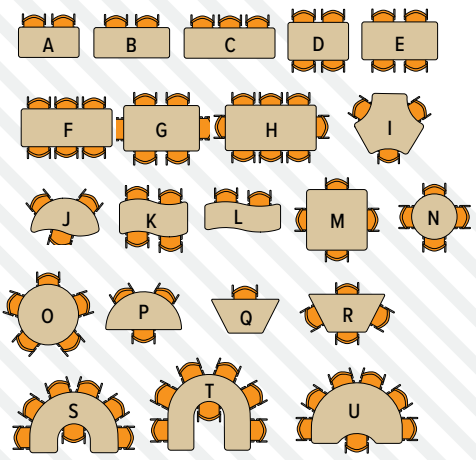

Tabletops are 1/8" particleboard with thermofused laminate surface on both sides, allowing for easy cleanup. The 3mm PVC edge band prevents places for germs to hide. 16-gauge steel legs are mounted on 12-gauge steel plates, fully coated with a powder coat finish.

APEX® Series feature oval shaped legs. Lower legs adjust from 21"-30" heights at 1" increments. Nickel-plated nylon swivel glides are standard.

PREMIER™ Series feature round shaped legs that are available in sitting height or standing height. Lower legs have a chrome finish and adjust from 21"-31" or 32"-42" heights at 1" increments.

MG2200 Series Activity Tables

Marco Activity Tables provide a heavy-duty all-purpose table for classrooms, meeting rooms and offices. Hefty 1½" thick thermo-fused melamine are accented with black or colored 3mm PVC edge banding which is significantly stronger than T-molding and eliminates a place for germs to hide. Matching powder-coat legs adjust from 16"-24" and 21"-30" adjustable in 1" increments. Heavy-gauge steel stretcher bar reinforces 54" or larger.

Berries® Collaborative Tables

New dynamic shapes provide flexibility in learning situations—where the table can be used individually as a desk and also combined with other tables to create larger collaborative spaces. The mobile-ready legs are made with durable 16 gauge steel, feature adjustable levelers, and adjust from 18" to 29"H in 1" increments. Upper leg powder coated to match TRUEdge® color. Durable 1/8" thick dual-sided laminate tops. Made in the USA.

Bowtie Tables

Great for an individual desk, yet versatile for easy combinations with other Bowtie or Hub Tables to create a larger collaborative learning space. 24" x 35" laminate top with matching TRUEdge® & upper legs. Weight 40 lbs.

SONIK® Floor Rocker

Introducing the Sonik® Floor Rocker, a versatile and fun seating addition to any active learning environment. The rocking base provides a front-to-back or side-to-side motion for constant micro-movement, which is crucial for many students' concentration and development. Constructed with a polyether foam padding on a plywood base and covered with high durability vinyl cover that is available in 10 different colors. 18"W x 6"H x 18"D.

LF1512

Stationary

The bell-shaped Carpin glides provide a stable and sturdy foundation for any stationary learning environment.

Mobile

The twin-wheel nylon casters deliver smooth, agile mobility that helps enhance in-class collaboration by allowing quick classroom rearranging when you need it.

Note: Casters sold separately.

Active

The rocking base allows energized kids to satisfy their urge to move in the learning environment. The result is a more attentive, comfortable and ready to learn student.

Note: Rocker Base sold separately.

SONIK® Round Stool

Our Round Stool was designed so that the standard foot glides can be easily interchanged to Casters for easy mobility or add a Rocker Base for flexible movement to support excess energy. Constructed with a polyether foam padding on a plywood base and covered with high durability vinyl cover that is available in 10 different colors.

A USA Company

smartplastic™

Anti-Microbial/Fungal Additives

Social and Emotional Learning (SEL)

SEL is an educational approach focused on developing students' interpersonal and emotional skills. It emphasizes self-awareness, self-regulation, empathy, and effective communication, fostering a positive and inclusive school environment. SEL programs aim to equip students with essential life skills, such as emotional intelligence and conflict resolution, contributing to improved academic performance. SEL promotes a positive school culture that prepares students to navigate the complexities of the modern world with resilience and empathy.

Active Sitting Benefits

Outlet for High Energy

Provides an outlet for children with high energy and sensory seating for ADD, ADHD or Autism.

Perfect for Activities

Homework, reading, drawing, eating or board games are no longer sedentary activities.

Ideal for All Children

Available in multiple sizes and colors and holds up to 275 lbs. (125 kg).

Increase Secondary Focus

Continuous movement while sitting relaxes the right side of the brain, leading to better focus.

Stable Base

Gentle-rounded base moves with child and comes to rest naturally upright.

Anti-Tip Safety

A patented Anti-Tip Safety Ring on the base prevents tip-overs and falls. An optional rubber pad is included for anti-skid or anti-marking.

Limited Lifetime Warranty

Satisfaction guaranteed with a Limited Lifetime Warranty on Kore Design™ wobble chairs.

Calming Colors

Reduced Stress and Anxiety

Calming colors can help create a soothing or relaxed atmosphere for both students and teachers.

Muted or Light Blues

Often associated with calmness and tranquility and lend to creating a serene environment.

Balanced Energy Levels

Certain calming colors neither overstimulate or cause fatigue, and help promote a positive attitude.

Tans and Light Beiges

Considered balanced and neutral tones, these colors contribute to a visually appealing backdrop.

Improved Focus and Concentration

Creating a peaceful and neutral setting can elevate attentiveness in learning settings.

Muted or Light Greens

Linked to nature, greens offer both calming and refreshing qualities in the classroom.

Wobble Chair

A Wobble Chair means kids don't have to sit still

Patented anti-tip design with a gently rounded bottom, Wobble Chair transforms the boring conventional seat into a playground for your child's imagination. Regular chairs force children's bodies to conform to an unnatural posture. The innovative Wobble Chair allows one's knees, hips and back to find comfortable and ever-changing positions. Made in the USA.

- Become more productive: Active sitting increases secondary focus.
- Now manufactured with an FDA approved antimicrobial that has been tested to reduce up to 99.9% of common bacteria
- Homework, drawing, eating and playing video/board games are no longer sedentary activities
- Colorful choices are great for any child's room or school environment
- Ideal for children with ADD or ADHD; provides an outlet for restlessness and extra energy. Kids love the Kore Wobble Chair
- Easy 2 minute assembly
- Award winning products made in the USA.

**Oklahoma Sound®
Edupod
Teacher's Desk &
Lectern Combo**

The Desk & Lectern Combo is the perfect solution to the 21st Century educational environment. Incorporating both a lectern and teacher's desk in one, the Workpod and Edupod accommodate both sitting and standing presentations. The steel lectern cabinet with adjustable shelves connects to a lightweight desktop mounted on a contemporary frame with matching modesty panel. Set the adjustable-height lectern top with book stop to match your comfort zone. Wire management grommets on the cabinet allow for technology use and the mesh front provides venting to prevent overheating. Includes six double wheel hooded 2" caster wheels (three locking). Overall dimensions: 68"L x 24"W. Desk dimensions: 48"L x 24"W. Cabinet dimensions: 24"L x 20"W x 35"H. The WorkPod is available in Black Steel. Select the Combo Set or select the Desk and Cabinet as individual components. The Edupod is only available as the Combo Set.

Euroflex Collaborative Combo Desks

Unlike traditional combos, Euroflex Collaborative Combo Desks maximize classroom space through compact design and easy entry on both sides of the combo. They offer flexible classroom setups, allowing educators to easily transition between collaborative group work and individual testing. Featuring quiet glides, these desks minimize distracting sliding noises. Additionally, these easy-to-clean combos are spacious, user-friendly for left-handed students, and accommodating of students of all sizes.

HamiltonBuhl® On-Air!™ Podcast Kit

The On-Air!™ Podcast Kit has been specially-designed to provide excellent sound quality for podcasting, live streaming, esports, recording music and singing needs. 1 year warranty. **HECPCAST4**

HamiltonBuhl® Intermediate Level Deluxe STEAM/STEM Kit

Bring STEAM curriculum to life with the HamiltonBuhl® Intermediate Level Deluxe STEAM Kit – full of coding and robot engineering kits as well as media production kits! This HamiltonBuhl® Intermediate Level Deluxe STEAM Kit is filled with imaginative ways for students to create and learn - from programming and robotics, to green screen broadcasting, stop-motion animation, and microscopic discovery, this kit is full of fun and will have students excited to use all these tools for STEAM/STEM learning! Engage students with this invaluable turnkey STEAM kit – worthy of any classroom – and every student.

HECSTEAM-4i

HamiltonBuhl® Esports Media Production Ultra-Deluxe Studio Kit with XLR Mic

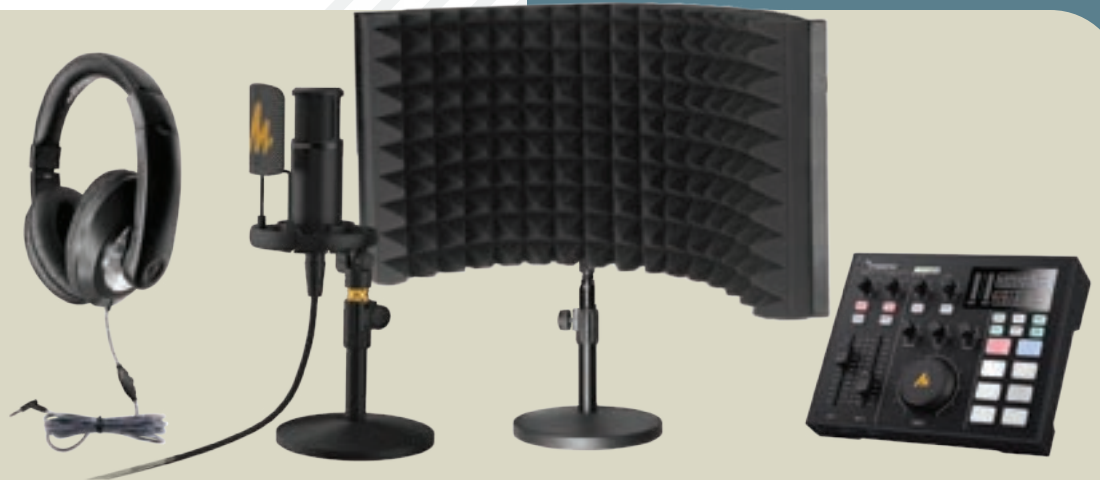

HamiltonBuhl's Esports Media Production Ultra-Deluxe Studio Kit. This kit helps build valuable skills as well as increasing opportunities for students to learn digital citizenship, gain experience producing work for a wider audience than just their teacher, while also learning to be cognizant of their responsibilities to a real audience. 1 year warranty.

HECMPSKXLR

HamiltonBuhl® Media Production Content Creation Tool Kit #2 with XLR Mic

Give your students the opportunity to be content creators, rather than consumers, with HamiltonBuhl's XLR Content Creation Toolkit #2. This kit helps build valuable skills as well as increase opportunities for students to learn digital citizenship, gain experience producing work for a wider audience than just their teacher, while also learning to be cognizant of their responsibilities to a real audience. 1 year warranty.

HECMPSKCT2XLR

HamiltonBuhl® Media Production Studio: Ultra Interview Kit #3

New technology always has a heavy impact on education, and podcasting is no different. One of the most interesting and valuable uses of Podcasting in Education is the concept of student-created content or active learning activities. Students getting the chance to create their own podcast and livestreams with their own questions, discussions, presentations or projects allows them to take control of an aspect of their education and encourages engagement in the material. The Media Production Studio: Ultra Interview Kit #3 gives your students the opportunity to be content creators, rather than consumers and includes everything needed for high quality studio produced. 1 year warranty.

Limber

This innovative offering can seat up to 6 students from 3rd grade through University. Limber covers all the bases. It's mobile, fits through doorways, has an anti-microbial seamless tilting top, as well as a sit-to-stand pneumatic base, and plenty of storage!

- Tilts at any height
- Double-sided storage
- Instant sit-to-stand transition
- Fits through standard 36" doorways
- 1" Tough Top, power coated MDF Substrate or HPL Dry Erase Top

CEF-LMBR-TABLE

Original Ed Table

Features:

- 2 Integrated Trash for easy clean-up (regular & recycle)
- Integrated Electrical (2 AC/4 USB)
- Includes 6 stools

CEF-ED36 36"H, 6 Storage Bins with Lids

CEF-ED42 42"H, 8 Storage Bins with Lids

The Ed Table

This ground-breaking design has quickly become sought after by schools across America for designs in classrooms, makerspaces, STEM, art, woodworking, robotics and more. Maximizing creative time while minimizing the amount of logistical preparation work and clean-up was the driving factor behind the design concept. For schools and teachers interested in project-based learning, the Ed Table is a natural extension and fundamental element for engaging learners.

All models include:

- Magnetic Stool Storage
- Storage Bins with Lids
- Integrated Electrical
- Internal & External Adjustable Shelves
- 16 laminate choices
- Size 84"L x 48"W
- Available in two heights: 36" and 42"
- Stools are 24"H (36"H table) or 30"H (42"H table) and available in 12 color choices.

Ed 8

Features:

- No trash bins
- 2 additional stools (total of 8)
- Integrated Electrical (4 AC/4 USB/1 VGA/1 HDMI)

CEF-ED8-36 36"H, 6 Storage Bins with Lids

CEF-ED8-42 42"H, 8 Storage Bins with Lids

PT-60M

Portable Stages

NPS Portable Stages are the reliable and affordable choice for your school performances and assemblies. Users are supported by a heavy-duty, 16-gauge steel, black powder-coated frame. The premium 3/4" thick plywood deck is extremely durable. Legs are constructed with 14-gauge steel tubing and feature simple and safe spring-loaded locking mechanisms allowing for quick set-up assembly and folds up easily for manageable portable storage. The stage offers a secure weight capacity of over 200 lbs. per square foot. High-impact plastic glides will ensure floors are protected from damage. Firmly welded ganging devices let users combine equal-height stages to create a large single stage platform or assemble different sizes to create choral or band riser configurations. Available in carpet (grey, blue, red, black) or hardwood finish.

Thermoplastic Coated Metal Picnic Tables & Benches

Heavy gauge metal picnic tables and benches are ideal for seating areas in parks, campuses, snack bars, and more. Protective coating creates a smooth, high-gloss surface that stays cool to the touch for comfortable seating even in the sun. Thermoplastic coating resists fading, mold, and vandalism, and will ensure maintenance-free durability through years of high-traffic usage. Rugged galvanized tubular steel frame is shielded with a black powder coat finish for rust-prevention and resilience against the elements. Bench and table corners are beveled for safety. 7 Year Limited Warranty. Tabletops include a 2" diameter opening to accept an umbrella pole.

callero
SHIELD

Callero Carts

Gratnells Callero system has been specifically designed to enhance your STEM and Flexible learning areas. Featuring safe, ergonomic design and our exclusive lift up and out tray rail system this promotes student self selection and discovery learning.

Dynamis High-Density Storage Collection

Gratnells Dynamis High-Density Collection is perfect for any classroom or office environment. Manufactured with high quality materials. These commercial grade Storage Carts are perfect for storing books, sports equipment, general office supplies, and more. Frame is manufactured with sturdy steel. The Mid and Low Carts ship with four 3" casters (two locking) and 4 leveling feet so your unit can be either static or mobile to suit your needs. Tall Triple Units ship with leveling feet only. All units are 16½"D. Choose the color of trays to coordinate with your setting! The Dynamis Carts will work with any Gratnells Tray measuring 12.3"W.

The World's Best Selling School Tray

Our international award-winning, BSI tested trays are designed for heavy educational use. They come in an exciting range of 12 colors and four heights, so you can choose exactly the storage that suits your needs. All of our trays fit our school furniture, so you can mix and match a whole range of different colors, lids and tray heights knowing they will all fit with the rest of your Gratnells classroom.

Even though our trays are built to last, they are all fully recyclable.

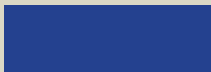

Gratnells Callero Shield trolleys and trays are antimicrobial as they are treated with BioCote® antibacterial additive. This means bacteria and viruses cannot spread on the surfaces and you need no longer solely rely on continual cleaning to guard against infection. You will have built in anti-microbial protection from MRSA and ecoli as well as other infections. The antimicrobial trays are available in kiwi green tint and are widely used in UK Hospitals as well as being fully compatible with Gratnells school storage range. Ideal for general school storage as well as safe hygienic storage of medical, school or first aid equipment. These products are guaranteed for five years.

Our new Room Dividers are great for creating privacy and seclusion along with noise control for improved group discussions within the same room! The Divider panels can have all the same color or you can combine multiple color panels to promote school colors or to match with classroom themes. The panels are also perfect to use as bulletin boards for announcements or showcasing students' work.

Features

- Dimensions: 46.25"W x 19.78"D x 78.67"H
- Lightweight acoustic panels are made of 100% PET material
- Steel frame and legs have a Gray powder coat finish
- Locking swivel casters for easy mobility

Designed with teacher-driven features and built to last, our easels make classroom organization easier, foster collaboration and communication, and are handy for displaying daily lessons and schedules—all in one compact footprint.

- A uniquely designed Big Book rack holds books firmly in place
- Ultra-Safe premium book ledge with rounded corners and it locks into position so it stays put
- Slide out tubs with safety stops
- All easels have locking casters and some have foot-activated brakes
- Dry Erase Frame is easy to wipe down and keep clean
- Angled magnetic dry-erase board
- Snap-on chart paper hooks
- Rear removable whiteboard allows 2 students to work at the same time and one side is lined
- All of our easels have a lifetime frame and tub warranty and a 5 year warranty on white boards

Reading Writing Centers

Premium Royal® Reading Writing Center

This easel is the ultimate in storage with ten slide-out storage tubs, eight Tiny Tubs for smaller items, three book folders and chart paper hang tags. It is a versatile lesson center in one compact footprint. Rear whiteboard not included.

CEPRC107-VM Vibrant Tub Combo

Reverse Side

Bamboo Easels

Bamboo easels are a more sustainable choice than metal models because they have a smaller carbon footprint. Bamboo is a renewable resource that grows quickly and sequesters carbon, unlike steel which produces carbon. These products have been designed to bring natural elements into the classroom and are ideal for neutral or early years environments. The finish is a nitrocellulose lacquer, a popular finish type for furniture and the preferred choice of professional furniture makers. Lacquers provide a clear, durable, and water-resistant finish, that protects the base material while enhancing its appearance.

Reverse Side

Bamboo Early Learning Station

Two magnetic dry-erase whiteboards, one side with solid/dotted/solid line sequence. Roll-up felt for creative play, along with corner ties and magnets to secure on station. Safety Cap™ premium book ledge that locks into multiple positions. Two Large Open Tubs. Snap-on chart paper hooks. Frame folds for storage. 3" Locking casters. \$1,980.00

Enclosed Bulletin Boards

Ghent's Enclosed Cork Bulletin Board is the perfect way to display messages, pictures, and important information securely. Natural cork boards are made with self-healing cork, meaning holes made from repeated and frequent tacking will disappear. Hand-made to ensure the cork surface will not peel or flake from the backing. Features shatter-proof acrylic panels and locks that are flush with the frame. Hidden corner brackets allow the message center to sit flush against the wall without any visible hardware, which adds protection from vandalism. The cork surface is paired with a Satin aluminum or solid wood frame and includes 2 keys. Ghent's Enclosed Cork Bulletin Boards carry a 10-year warranty and are made in the USA. Recommended for indoor use only.

Enclosed Letterboards

Enclosed Letterboards have 1/4" precision grooved panels that are available in Black or Burgundy flannel. Includes a set of 3/4" letters, numbers, and symbols to go with your board. Hand-made to ensure the felt surface will not peel from the backing over time. Protected using shatter-proof acrylic panels and locks that are flush with the frame. Hidden corner brackets allow the message center to sit flush against the wall without any visible hardware, increasing protection from vandalism. The felt surface is paired with either a satin aluminum frame or solid wood available in natural Oak or Walnut and includes 2 keys. Ghent's Enclosed Letterboards carry a 10-year warranty and are made in the USA. Recommended for indoor use only.

Pretend play gives learners the opportunity to build verbal, social, and motor skills!

Dream Cube

Double-sided Write-n-Wipe surfaces on the sides provide a space for students to jot down ideas, learning concepts, and work out problems. Key lime green cushions and angled back rests make the space easy to clean, ergonomic, and comfortable. Large cutouts in the sides and the open top give teacher visibility while still creating a private area for students. Side openings are 37" in diameter. Cloud Write-n-Wipe surfaces are 24"H x 28½"D. Inside Write-n-Wipe panels are 29½"H x 33"W. 46½"H x 48"W x 37½"D.

Clean Hands Helper Portable Sinks

Jonti-Craft®

The U.S. Centers for Disease Control and Prevention (CDC) suggests washing hands frequently to help prevent the spread of germs and viruses.

Jonti-Craft® portable sinks go wherever frequent hand washing is a priority—and without any plumbing required! Available in child and adult heights, these mobile sinks meet licensing requirements and give you the flexibility of moving them quickly to areas of need in educational, health, and other community settings.

- Available in a one-piece molded plastic or with a stainless steel sink insert
- Sinks are approximately 5" deep
- Faucet has water-saving aerator
- Coin-locked doors
- Sinks arrive nearly fully assembled
- Each tank provides 40-50 handwashes (when washing hands for about 20 seconds)

Our dividers give you optimum flexibility and value, now and in the years ahead. These portable, sturdy, and stable dividers work equally well to keep people distanced and safe in waiting rooms, lobbies, larger open areas, or in classrooms and libraries. The panels help reduce the spread of germs and airborne illnesses and help to reduce noise. The See-Thru panel makes it easy to keep an eye on people using the space and are easy to clean with soap and water.

“Just Like Home” Furniture

Built with sturdy hardwood frames, comfortable dense foam, and upholstered with premium coverings. Designed and built for everyday use, with durability, quality and comfort in mind. Meets ASTM, CPSIA, and CA117-2013 standards. Meets Class 1 Flammability standards while being free of flame retardants. Assembled in the USA. Limited Lifetime Warranty.

Premium Vinyl Upholstery Offers the appearance and comfort of soft leather, yet its durability and easy clean-up make it “just right” for active classrooms.

Enviro-Child Upholstery An eco-friendly and healthier upholstery alternative that is as durable and easy to clean as vinyl. Made of polyurethane, it is PVC-free.

Infant Toddler Furniture

Pint-sized and “a perfect fit” for toddlers! With a seat height of 7½”, toddlers will have no trouble “seating themselves”. Ages 1½–3

Stackable Toddler Cots

The stackable cot is available in two sizes especially designed for toddlers. These cots are stackable, allowing convenient storage when not in use. In a vibrant blue color, they are ideal for classrooms or daycare centers. These rest cots elevate children 7" off the floor, ensuring a cool, clean, and stable environment during nap time. Crafted with powder-coated steel poles, sturdy plastic corners, and heavy-duty, stretch-resistant breathable fabric, these rest cots are engineered for daily use in early childhood facilities, ensuring longevity. Features rounded edges for added safety; mesh fits tightly to the frame to help keep little fingers and toes protected. These cots are easily accessible for teachers and can be stored vertically to save valuable space in educational classrooms. They can be nested for convenient storage and safely stacked up to 20 cots high. Cots are CPSIA compliant for PVC and Phthalates. Ages 6+; Grades 1+
