Introducing the 7mm VSPC 5G Collection: Where Hardwood Beauty Meets Effortless Installation

Step into luxury with our Veneer SPC flooring, a symbol of unparalleled quality. Immerse yourself in the exquisite blend of top-tier hardwood, a resilient MBA, SPC core, noise-absorbing IXPE backing, and the iconic Valinge 5G locking system.

It's not just flooring; it's a masterpiece of elegance and functionality - a fusion of timeless hardwood charm. Choosing our VSPC flooring isn't just a decision; it's an investment in the unmatched quality and value synonymous with MBA products.

Revel in its breathtaking aesthetics while enjoying the durability of MBA's SPC core. Embrace peace of mind with our FloorScore® indoor air quality rating, water resistance, and top-notch sound/impact isolation. Elevate your space with confidence - opt for the intelligent choice in flooring with our versatile and effortlessly installable VSPC hardwood-vinyl composite.
