

MATERIAL SAFETY DATA SHEET

SECTION I | CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product Name: Prickly Pear Cactus Seed Oil	Contact Information:
Product #:	Katari, LLC
CAS #: 90082-21-6	303 S Broadway, #200-157, Denver, CO 80209
RTECS: not available	US Phone: 1.262.343.4554
TSCA: TSCA 8(b) inventory: No products were found.	US E-Mail: info@katariskincare.com
CI#: not available	Order online: www.kataribeauty.com
Synonym: Opuntia Ficus Indica	24HR Emergency Phone: 1.262.343.4554
Chemical Name: not available	International Phone: 1.262.343.4554
Chemical Formula: not available	For non-emergency assistance: info@katariskincare.com

SECTION II | COMPOSITION AND INFORMATION ON INGREDIENTS

Composition	100% USDA and EU organic-certified cold-pressed prickly pear cactus seed oil
Hazardous Components	none
Toxicological Data on Ingredients	not available

SECTION III | HAZARDS IDENTIFICATION

Principal Hazards	none special
Potential Acute Health Effects	no specific information is available regarding the acute toxic effects of this material for humans
Potential Chronic Health Effects	none

SECTION IV | FIRST AID MEASURES

Eye Contact	Mild irritation may occur, rinse with water for a few minutes. Get medical attention if irritation persists.
Skin Contact	Contains high levels of Vitamin E; irritation / reaction may occur. Rinse with soap and water for a few minutes. Get medical attention if irritation persists.
Inhalation	May be harmful.
Ingestion	Non-toxic, though excessive ingestion of liquid can cause gastric distress and mild diarrhea.
Medical Conditions Generally Aggravated by Exposure	none
Note to Physician	Treat symptomatically

SECTION V | FIRE AND EXPLOSION DATA

Flammability of the Product	Not flammable
Auto-Ignition Temperature	Not applicable
Flash Points	> 200 Degrees C (test unknown)
Flammable Limits	Not applicable
Products of Combustion	Oxides of carbon.
Fire Hazards in Presence of Various Substances	Risks of explosion of the product in presence of mechanical impact: not available. Risk of explosion of the product in the presence of static discharge: not available.
Fire Fighting Media and Instructions	Dry Chemical, Carbon Dioxide, Foam
Special Remarks on Fire Hazards	Limit the spread of oil. Use air supplied equipment for fighting interior fires. Keep free of ignition sources.
Special Remarks on Explosion Hazards	Not available

SECTION VI | ACCIDENTAL RELEASE MEASURES

Small Spills	Absorb onto an inert, absorbent substrate and sweep up. Wash area with soap and water to prevent slip / fall hazard.
Large Spills	Absorb onto an inert, absorbent substrate and sweep up. Wash area with soap and water to prevent slip / fall hazard.

SECTION VII | HANDLING AND STORAGE

Handling Procedures	Use good personal hygiene around the product
Storage	Store in a cool, dry area in a sealed container in a well ventilated area. Use shelves and cabinets sturdy enough to bear the weight of the product. Be sure that it is not necessary to strain to reach materials, and that shelves are not overloaded. If exposed to direct sunlight for prolonged periods, may become rancid. Typical shelf life - about 24 months.
Precautions	Keep away from sources of ignition and open flames.

SECTION VIII | EXPOSURE CONTROL / PERSONAL PROTECTION

Engineering Controls	None
Personal Protection Eye	Not required, but if needed, safety glasses, splash goggles or face shield can be worn.
Skin / Body	Lab coats and chemical resistant gloves should be worn.
Respiratory	Not needed under normal conditions of use in well ventilated areas. Use NIOSH-approved respiratory devices if ventilation is not adequate.
Ventilation	Handle in well ventilated areas.
Other	Evaluate need based on application. Slip proof shoes may be worn where spills may occur.
Work / Hygiene Practice	Normal work and hygiene practices for handling non-hazardous liquid materials.

SECTION IX | PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Medium to dark yellow, clear
Specific Gravity	Approximately 0.90 - 0.92 at 25 Degrees Celcius
Viscosity	Approximately 100 cSt @ 40 Degrees Celcius
Odor	Earthy characteristic.
pH	Characteristic; varies; typically close to neutral.
Odor Threshold	Not determined
Water Solubility	Insoluble

SECTION IX | PHYSICAL AND CHEMICAL PROPERTIES

Vapor Pressure	Not determined
Vapor Density (Air = 1)	Heavier than air
Evaporation Rate	Not determined
Pour of Melting Point	45 Degrees F
Boiling Point	Not determined
Percent Volatile	None
Molecular Weight	Not determined
Stability	Material is normally stable at room temperature and pressure.
Incompatibility	Strong oxidizing agents.
Hazardous Polymerization	Will not occur.
Thermal Decomposition	Carbon monoxide and unidentified organic compounds may form during combustion.
Conditions to Avoid	Sources of ignition, open flames, excessive heat or cold.

SECTION X | ECOLOGICAL AND TOXICOLOGICAL INFORMATION

Oral Toxicity	Product is non-toxic
Eye Irritation	Product contacting eyes may cause eye irritation.
Skin Irritation	Product might cause allergic reaction or irritation, due to high concentration of Vitamin E, which can be topical skin irritant.
Dermal Toxicity	Product might cause allergic reaction or irritation, due to high concentration of Vitamin E, which can be topical skin irritant.
Inhalation Toxicity	Product is non-toxic
Respiratory Irritation	Product is non-toxic
Dermal Sensitivity	Product might cause allergic reaction or irritation, due to high concentration of Vitamin E, which can be topical skin irritant.
Inhalation Sensitivity	Product is non-toxic
Chronic Toxicity	Product is non-toxic
Carcinogenicity	Product is non-toxic
Effects of Overexposure	None established.

SECTION X | ECOLOGICAL AND TOXICOLOGICAL INFORMATION

Medical Conditions Generally	None
Reproductive Toxicity	Product is non-toxic.
Mutagenicity	None

SECTION XI | DISPOSAL CONSIDERATIONS

Waste Disposal Methods	Dispose of according to local, state and federal regulations. This product, as received is not classified as a hazardous waste under RCRA regulations.
------------------------	--

SECTION XII | TRANSPORT INFORMATION

U.S. Shipping Name	Prickly Pear Cactus Seed Oil, non-medical
Hazard Class	Not applicable
Identification Number	Not applicable
Shipping Label	Not applicable

SECTION XIII | REGULATORY INFORMATION

U.S. TSCA Inventory	All components of this product are listed on the TSCA inventory.
SARA 302 Threshold Planning Quantity	No RQ for product or any constituent greater than 1.0% of 0.1% (carcinogen).
SARA 302 Reporable Qty	No RQ for product or any constituent greater than 1.0% of 0.1% (carcinogen).
SARA 311 Categories	Acute - n/a Chronic - n/a Fire - n/a Pressure - n/a Reactivity - n/a
SARA 313 Supplier Notification	None
CERCLA Hazardous Substances	No chemicals in this product are subject to the reporting requirements of CERCLA.
Clean Water Act	None

SECTION XIV | ADDITIONAL INFORMATION / DISCLAIMER

This information is provided for documentation purposes only.

This product is not subject to reporting requirements of Section 313 of Title III of Superfund Amendments and Reauthorization Act of 1986 and 40 CFR part 372.

The complete range of conditions or methods of use are beyond our control, therefore, we do not assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate; however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and local regulations remains the responsibility of the user.

Users should make their own investigations to determine the suitability of the information for their particular purposes. In no event Katari, LLC and kataribeauty.com be liable for any claims, losses, or damages of any third party or for lost of profits or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, even if Katari, LLC and kataribeauty.com has been advised of the possibility of such damages.

The safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this data sheet should be provided to your employees or customers.
