Sentence Sticks

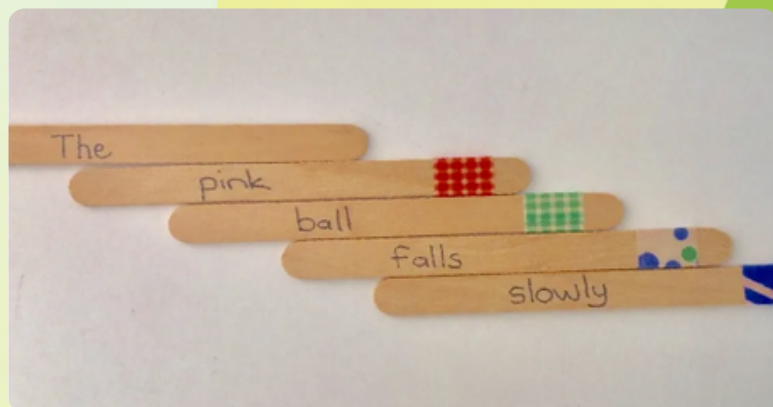

Materials:

- Popsicle Sticks
- Washi Tape
- Markers

DIY Sentence Sticks are great for learning about sentence structure!

Use popsicle sticks to write different starter words, adjectives, nouns, verbs and adverbs.

If you like, you can add washi tape or use markers to decorate each different category.

Choose a stick from each category to form your sentences! They can be real or silly sentences.

***You may use any other craft material you'd like for your creation - the only limit is your imagination!**

Make Your Own Journal

Materials:

- Coloured/white paper
- Plastic needle
- Coloured wool or twine
- Various Craft Items to decorate front cover

- Use a coloured paper sheet for your front cover (you can stick it over a piece of cardboard if you'd like your cover to be sturdier)
- Fold your front cover in half and then open it up again; do the same with the white paper that will fill your journal

- Measure and draw dots about a centimetre apart down the centre crease of the cover and the white paper
- Using a plastic needle and wool or twine, sew the white paper onto the cover.
- Once you've finished stitching, tie a knot in the end over the edge of the book.
- Decorate your journal cover however you'd like!

***You may use any other craft material you'd like for your creation - the only limit is your imagination!**
