### Paper Plate Snakes/Rainbow Serpents

#### Materials:

- Paper Plate
- Markers/paint sticks
- Googly Eyes
- Red Paper or Ribbon
- Twine
- Scissors/glue/double-sided tape

- **Begin by dot painting or decorating your paper plate however you'd like.**
- **Cut out a spiral shape into the plate. Leave a rounded head at the end of the spiral.**
- **Glue on the googly eyes. Use red paper to cut out the snake's tongue and then glue this on.**
- **If you'd like to hang your snake/serpent, make a hole in the snake's tail or head and tie a long piece of twine on to it.**
- **Hang it up and enjoy watching it twirl!**
