Paper Flowers

Materials:

- Coloured paper
- Straw
- Pom Poms/Craft Box items to decorate
- Scissors/glue/double-sided tape

- Start with cutting out the circle that will be the middle of your flower
- Cut thin strips of paper for your petals. These can be different lengths and widths.
- Glue the ends of the paper strips together, making a loop.
- Glue the loops onto one side of the paper circle, working your way around.
- Apply glue onto your paper straw and press it into the middle of your flower, securing it with tape.
- Decorate your flower however you'd like!
