## Watermelon Plate Fan

### Materials:

- Paper plate, cut in half
- Markers/paint sticks
- Large popsicle sticks
- Scissors/glue/double-sided tape

## Pipe Cleaner Bubble Wands

### Materials:

- Pipe cleaner
- Beads

- Make a shape at the end of a piece of pipe cleaner, about 5cm in diameter. Twist the end to close it
- Snip off the end of the pipe cleaner depending on how long you want your handle to be
- String the beads onto the pipe cleaner handle
- After you have finished, twist the end of the pipe cleaner to secure the beads and snip off any extra length.

*\*Make an easy bubble mix using 1 cup of water, 2 tablespoons dishwashing detergent & 1 tablespoon glycerin or corn syrup*

*\*You may use any other craft material you'd like for your creation - the only limit is your imagination!*

## Paper Plate Sunshine

### Materials:

- Paper plate
- Beads
- Plastic sewing needle
- Yellow wool
- Coloured paper
- Markers/paint sticks
- Scissors/glue/double-sided tape
- Hole punch

- Start by cutting out a circle a few centimeters in from the outside of the plate
- Use a hole punch to punch holes around the entire circle about a cm apart (you can ask an educator/adult to help you)
- Thread a long piece of wool to your plastic needle and tie a knot at the end. Tape the end of the yarn to the back of the plate
- Sew through the holes in your plate by coming up through a hole in the back of the plate to start, then going back down through a hole a the front of the plate. Add your beads as you go
- When you reach the end of your wool, cut and tape the end of it onto the back of the plate
- Cut yellow triangles out of paper for the sun rays. Glue them onto the back of the plate along the outside rim
