Instructions:

Player 1 should think of a word (don't share it!) and draw a small underline for each letter in the unknown word. As Player 2 guesses letters in the word, write them above the corresponding underline. If a letter not in the word is guess, draw a picture of a snowman – one part for each incorrect letter guess. Most frequently, the snowman is drawn in 6 parts (for 6 letter guesses) in the order: bottom of body, middle of body, top of body, left arm, right arm, then a face.
