

Husqvarna PG 400

PG 400 is a versatile and very productive single disc floor grinder for a wide range of applications. With its 16 in. wide grinding width it efficiently grinds adhesives, paint, epoxy and spackle on medium to large concrete areas. PG 400 is easy to transport due to its compact and foldable frame. The machine is designed to facilitate an ergonomic work position and is easy and convenient to use.

VERSATILE

Productive machine for the small hard to get to areas, as well as larger areas.

EASY REMOVAL

Offers efficient grinding of adhesive, paint, epoxy and spackle.

EASY TO TRANSPORT AND SET-UP

The machine is light and fits easily in any car thanks to the compact design and foldable frame and dividable parts.

EASY TO USE

The speed is fixed and no settings are required. The machine also has a user-friendly logical control panel with overload protection.

Features Husqvarna PG 400
