A Few Notes on Pricing & Packages -

All Listed pricing is at retail. Apply your discount for your pricing or ask your account manager for help.

We have put together packages that offer more competitive pricing. These packages denoted by the abbreviation PKG on the list to the left include a Vacuum Head, Collection Option, Hose and Dolly.

PRO SERIES heads Include a Set of Filters so they will not need to be ordered separately as in the past.

*For Tank Capacity Sensor add \$300. TCS is standard on all Bagger Packages and included in the price.
