K9 Fastener Facts

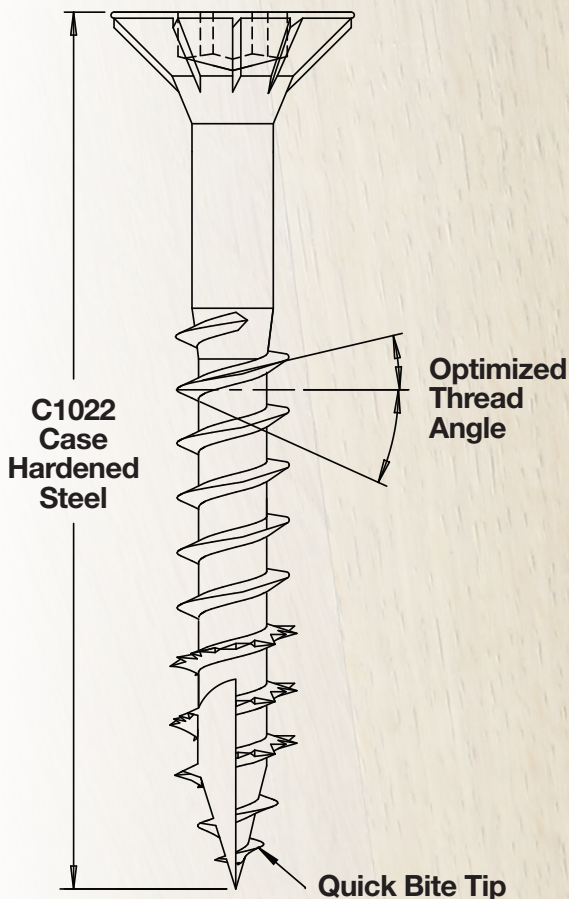

STRONGER- Not only does K9 Fasteners apply 3 coats of ceramic protection but we also apply an additional yellow zinc plated base coating directly over our C1022 steel.

STRONGER- Our Doberman ASTM tests reveal over 1,900 lbs. of pull out force and over 2,600 lbs. of shank shear force on respective sizes. (Complete test data on page 10 of the catalog)

FASTER- Our customers testify that the 3x coating has an additional benefit of reducing drive resistance and torque which provides faster set times and longer battery life.

FASTER - In house tests reveal our Quick-bite tip cuts faster and starts faster than the competition.

VALUE- Many retailers who sell fasteners by the pound have stated that when merchandised alongside of competitors, K9 products out sell the competition 5 to 1.

"K9 Fasteners have really caught on over the past 6 years. Our customers love them because they are the best value compared to the over-priced competition."

*- R.C. Goodwyn & Sons
Powhatan, VA*

"There are many reasons to choose K9 Fasteners but the fast starts, ceramic coating and product strength have made both Doberman deck screws and Huskie lags a winner for us for many years."

*- Beaver Builders Supply Inc.
Holmen, WI*

"I have NEVER-EVER had a performance problem in the 9 years I have sold K9. This product is a GREAT value for me and my customers."

*- Hennen Lumber Company
Freeport, MN*

"K9 fasteners are the real deal. They don't snap off like other brands when put to the true test in the field, they're faster, and less expensive than the competition"

*- Ethan Coop Lumber
Ethan, SD*

"For us, the K9 fastener is a high performance product at a good price point. We like the 1# & 5 # packaging for merchandising and display. The K9 fastener program has been a good fit for the How To Building Center."

*- Farmers Co-op Society
Sioux Center, IA*

"Good quality product at the best price. We have not found anything better than K9 anywhere else."

*- Pioneer General Store
Mio MI*
