PATTERN NOTES

Gusty winds are frequent in early spring, making it essential to keep your favorite lightweight knit accessories handy. Knit in warm yet seemingly weightless, self-shading Colorburst, the Café Cable Set will keep you cozy and comfortable throughout early spring! Wrap the scarf around your neck and pop the hat on top as you stroll to your favorite café for a cup of coffee, and knitting of course!

The Café Cable scarf is knit flat from the bottom up. The Café Cable hat is knit in the round from the bottom up. A pom pom is added as the finishing step. Please note that this pattern is written to make the most of one skein of Colorburst, and you can adjust the length of the scarf as desired.
