PATTERN NOTES

A simple scarf can turn into a whole lot of fun with the right yarn. Major offers a blend of colors that gradually change throughout the skein, and it is super-soft to boot. There's no question why many people say it's their favorite! The Carnival Scarf uses a shell stitch motif that repeats throughout, making this a great introductory crochet project, or just a relaxing project to work on and watch the colors come to life as you go.

This scarf is crocheted from the bottom up, and fringe is added at the end.
