PATTERN NOTES

The Crosscut Pullover is a great little sweater with engaging construction. This sweater is knit in one piece – worked sideways from cuff to cuff. A fun, textured cable is carried up the sleeve to the neck opening, where the front and back of the sweater are then worked separately. After the neck width is reached, the front and back are rejoined, and the cable motif recommences.

Note: The original version of this pattern used the following, now discontinued yarn:

Universal Yarn Adore (55% superwash merino, 45% acrylic; 100g/273 yds)

- 105 Cloud Grey – 1 (2, 2, 3, 3) skein(s)
