PATTERN NOTES

This simple hat feels luxurious with its soft halo and gentle marl created by combining *Amphora* and *Whisper Lace*. One ball of each is more than enough to knit about three hats, making this project a special gift for everyone in your family.

This hat is worked in the round from the bottom up holding two strands of yarn together to create a marled effect. Choose a minimalist look with similar tones as shown, or try something bold by mixing it up one of the variegated *Whisper Lace* colorways.
