## PATTERN NOTES

Have you ever been shopping and spotted a sweater you love, only to think “I could make that myself”? We think most makers have, and such was the case when Yonca’s daughter spotted a cute tank. Just like that, a similar, though re-imagined, version of the ready-to-wear top was born. Knit in Luxor, this fresh and funky pattern features intarsia throughout the body and a hem decorated with fringe.

***Please note that this pattern is in chart-form. Be sure to work the correct chart for your size.***

This top is knit flat in pieces from the bottom up. Intarsia is used to create color blocking. The sides are joined using the three-needle bind-off in a contrast color to create a visible seam. Half-double crochet is used for the neck edging. Finally, fringe is attached to the hem after the top is assembled.

This sweater is worked using intarsia. When changing to a new color, bring the old color up and around the new color to prevent any holes from forming in the piece. Use a separate ball of yarn for each section. Please note that there are not written instructions for the intarsia chart.
