PATTERN NOTES

Cozy up in this combination of a cowl and a shawl for the ultimate cushy comfort. Crocheted in plump, cozy Major, this cowl will keep you warm even in the chilliest climates. It features a deep, roomy neck with a stylish pointed front – creating an easy to style, lovely combination of a shawl and a cowl.

This cowl is worked flat from the top down. After working even, decreases are made to shape the front tip. Then, the sides are sewn together to form the cowl.

You will work Front Post Double Treble Crochet stitches with placements that will create “v” shapes for a herringbone look. This will be referenced in the pattern to help enhance the instructions.
