PATTERN NOTES

Featuring seven shades of Be Wool and Be Wool Multis, the Kaleidoscope Scarf is a playful accessory that celebrates color. It is a quick project that's delightfully squishy and super soft.

This scarf is knit flat from the bottom up. Fringe is attached to each end during finishing. Slip all stitches purlwise unless otherwise noted.

Due to the bulky nature of Be Wool and Be Wool Multis, we highly recommend breaking your yarn after each color change. Weave in your ends as you go to save time.
