PATTERN NOTES

Cut CC at the end of every Short-Row Stripe.

When working short-rows, if you have difficulty locating wrapped stitches, try placing removable stitch markers on them so you can see them more easily.

W&T: Wrap and Turn. To wrap a stitch on RS rows, bring the yarn to the front of the work, slip the next st purlwise to the RH ndl, slip the st back to the left ndl, take the yarn to the back of the work. To wrap a stitch on WS rows, take the yarn to the back of the work, slip the next st purlwise to the RH ndl, slip the st back to the left ndl, bring the yarn to the front of the work.

Working together wrapped stitches:

On the right side of the work, bring the wrap up onto the needle with the stitch it was wrapped around and knit the 2 stitches together.

On the wrong side of the work, bring the wrap up onto the needle with the stitch it was wrapped around and work an ssp with the two stitches.
