PATTERN NOTES

The Log Cabin Blankie is a delight to knit. Worked modularly and entirely in garter stitch, it's the perfect mindless knitting project. This blanket is great for little ones – knit in our Offbeat yarn, the easy-care acrylic is blended with a touch of alpaca, making the fabric incredibly soft. Plus, the self-stripping yarn yields exciting results in this modular design.

This blanket is knit flat modularly from the center outwards to the edge. To easily pick up stitches, insert your needle into the outer bumps of each garter ridge. We recommend weaving in your ends as you go to save time.

A visual guide is included to help you best understand the construction.
