PATTERN NOTES

Delicate lace stitches are the perfect way to add an element of elegance to a simple sweater. Paper Flowers uses our super-soft and stretchy Uptown Baby Sport yarn to create a sweater that looks luxurious yet is easy to care for! A lace body is offset by bracelet-length stockinette sleeves, and a boat neck enhances the overall vintage vibes of this sweet pullover.

This sweater is knit flat from the bottom up and seamed. The shoulders are joined with the three-needle bind-off. After assembling the body, stitches for the neckband are picked up and worked in the round.

This sweater is intended to fit with a generous amount of positive ease in the body, but with fitted sleeves. To determine the best size to make, measure your upper arm circumference and choose a size with a Sleeve measurement closest to this. The Sleeve measurement is given in the schematic.
