PATTERN NOTES
The Petite Bonnet is a sweet little topper featuring an adorable bobble and twisted stitch motif around the brim. I-Cord ties can be used to secure the bonnet onto your little one – all while adding a touch of charm.

This bonnet is worked flat to the crown shaping, where it is joined in the round. The open bottom edge rests around the neck and is finished with an I-cord edging. The pattern begins with a provisional cast-on that is later unpicked and bound off using the I-cord method.

Crochet Provisional Cast-on
With waste yarn and crochet hook, make a ch approximately 10 chs longer than the number of sts to be cast on. With working yarn and knitting needle, pick up and knit sts through the bottom bump of each ch**.**

I-Cord
With MC, cast on 4 sts to dpn. * K4, slide sts to other end of ndl and place in left hand; rep from * until Rope meas 20 (22, 24)". Bind off all sts. Sew cast-on edge to bind-off edge.

I-Cord Bind-Off
Cast on 3 sts to first st on left ndl using knitted cast-on. * K2, k2tog tbl (1 st bound-off), slip these 3 sts back to left ndl; rep from * until all sts have been bound-off.

STITCH GUIDE
Right Purl Twist (RPT): K2tog but do not slip st from ndl, purl the first st again, slip both sts from ndl.

Left Purl Twist (LPT): Purl the second st on the left ndl through the back loop, knit the first st through the front loop, slip both sts from ndl.
