#### **PATTERN NOTES**

Piquilla is an open, cozy crochet shawl featuring alternating stripes of color. Worked up in Wool Pop, a blend of bamboo, wool, and nylon, this accessory is perfect for every season.

This shawl is worked from the top down with increases at the center back and each side. A marker will indicate the center back. Increases occur on every row.

The instructions are written to minimize the number of ends you need to weave in. Follow the directions for turning or not turning at the end of each row, carrying unused yarn up the side. Only cut yarn when directed to do so.

To change colors at the end of Rows 2 and 4 of pattern, work the last sc as follows: insert hook into stitch, yarn over and pull up a lp, place dropped MC lp on hk and pull this MC loop through two lps on hk to complete the sc and change to MC.
