## PATTERN NOTES

Your favorite spring outfit just got even better with Magnolia. Our modal and cashmere blend yarn is perfect for creating beautiful accessories with gorgeous drape and feel. The Reverie shawl uses simple double crochet stitches to create a fabric that you can easily style in any way that suits your fancy.

This shawl is worked flat from the top down. Eight stitches are increased every row, and center chains are included in row stitch counts. A delicate border finishes it off. Charts are included to help you visualize the pattern.
