PATTERN NOTES

A quick project is just what you need for a fun holiday! The Shamrock Dishcloths are a bold and cheerful crochet pattern using two colors of durable and soft Cotton Supreme. Work one up for yourself and another for a friend, and may every petal on the shamrock bring you joy and good luck.

The yarn amounts listed are enough to make one of each cloth with inverted colors. These cloths are made using intarsia colorwork, with some stranded colorwork in the center of the clover. To prep for intarsia, create a mini ball of approximately 4 yards for each color. Then divide the remaining yarn into two equal balls for each color.

When working Row 1 of the chart, you will place your first single crochet in the 2nd chain from the hook.
