PATTERN NOTES

Worked up in Clean Cotton – a 100% recycled yarn – you'll love having this diy-décor piece in your space. This crochet rug will look right at home next to your favorite planters, collection of seashells, or pile of books. It adds a fresh, boho-vibe to any room. The best part? It works up in no time!

This rug is worked flat. A single crochet border in a contrast color is added after working the lace portion. Then, tassels are added to finish the rug.
