PATTERN NOTES

Knit in our gorgeous Truva – a blend of cotton and cashmere, Simone is the perfect garment for transitional seasons. Layer it over a blouse during fall and winter or as a standalone piece during spring and summer. Either way – you'll be cozy and comfortable. Simone is a modern classic with its square shawl collar and a slightly cropped, relaxed fit. You won't regret adding this timeless vest to your wardrobe!

This sweater is worked in the round from the top down. It begins with the back shoulders which are worked flat to the underarms. Then, the right front is picked up from the back shoulder and worked flat to the length of the neck drop, then placed on hold. The left front is also picked up from the back shoulders and worked flat to the neck drop, then the right and left fronts are joined and worked to the underarms. At the underarms, the front and back are joined together. Waist decreases are worked into the body. The stitches for the collar are picked up and worked flat and shaped with short rows. Stitches for the armholes are picked up and knit in the round.

W&T: Wrap and Turn. To wrap a stitch on RS rows, bring the yarn to the front of the work, slip the next st purlwise to the RH ndl, take the yarn to the back of the work, slip the st back to the left ndl, turn. To wrap a stitch on WS rows, take the yarn to the back of the work, slip the next st purlwise to the RH ndl, bring the yarn to the front of the work, slip the st back to the left ndl, bring the yarn to the front of the work, turn.

Working together wrapped stitches:

If the wrapped stitch is a knit stitch: On the right side of the work, bring the wrap up onto the needle with the stitch it was wrapped around and knit the 2 stitches together. On the wrong side of the work, bring the wrap up onto the needle with the stitch it was wrapped around and work a ssp with the two stitches. If the wrapped stitch is a purl stitch: On the right side of the work, bring the wrap up onto the needle with the stitch it was wrapped around and purl the 2 stitches together. On the wrong side of the work, bring the wrap up onto the needle with the stitch it was wrapped around and work a ssk with the two stitches.
