PATTERN NOTES

Plush and snuggly yarns are winter weather's best friend. Embrace the chill of the season with a super soft and warm pillow cover knit using our new Bella Chenille Big Glimmer yarn. The stranded colorwork pattern features big snowflakes that are sure to make this pillow a living room showstopper, while the plush and soft yarn makes this pillow a nap time favorite.

This pillow cover is knit in the round from the bottom up using stranded colorwork. During finishing, the live stitches are divided in half and grafted together using Kitchener stitch to close the top of the pillow. A zipper is installed along the bottom edge so you can easily insert and remove a pillow form.
