PATTERN NOTES

There is something truly special about a stormy day along the ocean shore. The sky and ocean form a gradient of beautiful greys and blues, and it's easy to watch the drama of nature unfold before your eyes. It's peaceful, but in the breeze, it can also be a bit chilly! Stay cozy with the lightweight, multi-season Stormy Shores Shawl! Crocheted in soft, springy, self-shading Filly, you'll love watching the colors change as you work.

This shawl is crocheted flat from the tip to the widest edge. An increase will be made on every row, but only along one edge, creating the triangular shape.
