PATTERN NOTES

Vests are an essential in your wardrobe – whether you layer up or go sleeveless, they're a garment to enjoy year round. The Tincture Vest is the perfect example. This textured beauty features contrast colored accents, a cozy fit, and easily doubles as a tank. Knit in smooth and sleek Vireo, the stitch definition and subtle sheen truly make this piece special.

This vest is knit in the round from the bottom up. The Front and Back are separated at the underarms and worked flat, and the Front features V-neck shaping. A contrast color is used on the hemline, around the armholes, and neck to add depth to the overall piece.
